

**2G TOGGLE / 2-WAY
/ CROSS**

ACTION: 2 WAY TOGGLE ITEM GROUP

KNURL: CROSS

RANGE: DIMMER / TOGGLE WALL PLATE

A 2G double toggle switch made from solid metal. It features a brushed solid metal plate, two toggle modules and a detail kit with our signature cross-knurled toggle arms, solid metal toggle nuts and coin screws.

SPECIFICATIONS

Solid metal switch plate with 2x toggle modules.

Module: GTM-013290

Style: On / Off Toggle Switch

Switching: 2-way (can be controlled from 2 locations)

220-250VAC / 10AX / 50Hz

Certification: BS EN 60669

For use with standard 1-way, 2-way and 3-way wiring accessories.
Compatible with smart home systems that accept standard switch inputs.
Not compatible with retractive switches and Buster + Punch multipoint dimmers.

Not suitable for motors, fans or any other type of large inductive load.
Make sure to consider the inrush current load on the circuit when specifying this module (10AX max.).

Compatible with UK standard 1G electricity back boxes (60.3mm screw spacing). See dimensions of chosen module for required backbox depth.
Box must be flush mounted.
